

# NOW SEEKING KITCHEN NINJAS!

## JOB DESCRIPTION

JOB TITLE: Kitchen Ninja

DEPARTMENT: Sebastopol Bistro

REPORTS TO: Kitchen Ninja Masters

STATUS: Volunteer

## JOB SUMMARY

You are a Kitchen Ninja! You slice, you dice, you prepare nutrient rich produce for low-income seniors with the precision of a lumberjack and the compassion of a Buddhist monk. You're a dedicated partner in your community. You're a team player through and through, that trooper who raises their hand without fail to organize the company potluck, that weekend warrior who offers to help their buddy clean a carb on a Saturday for a six pack. Kitchen Ninjas respect community elders, and understand that anyone can fall on hard times, and everyone should have a healthy meal. You're already thinking about which of your co-workers you can recruit onto your kitchen team. Kitchen Ninjas arrive on time, and leave on time, and they possess that rare "Can do!" spirit that haunts those poor souls who couldn't conjure up the word commitment on a Ouija Board. Kitchen Ninjas are honorable, and committed to helping us care for Sonoma's seniors. We want your skills, and your stealth.
